Many socialist and Marxist feminists put these philosophies together to achieve gender equality in both the professional as well as personal spheres. Socialist and Marxist feminism often considers itself to be a sub-category of radical feminism, only referring to a different ‘root of all problems’, which is the economic system.
What Is Radical Feminism? - ThoughtCo
Nov 25, 2020 · Radical feminism is a philosophy emphasizing the patriarchal roots of inequality between men and women, or, more specifically, the social domination of women by men. Radical feminism views patriarchy as dividing societal rights, privileges, and power primarily along the lines of sex, and as a result, oppressing women and privileging men.

Contradictions of Capital and Care - New Left Review
The ‘crisis of care’ is currently a major topic of public debate. Often linked to ideas of ‘time poverty’, ‘family-work balance’, and ‘social depletion’, it refers to the pressures from several directions that are currently squeezing a key set of social capacities: those available for birthing and raising children, caring for friends and family members, maintaining
