Our digital library saves in combined countries, allowing you to acquire the most less latency period to download any of our books when this one. Merely said, the original memoirs of charles g finney is universally compatible behind any devices to read.

The Original Memoirs of Charles G. Finney—Garth M. Rosell 2010-08-10 In 1989, the first complete, restored text of revivalist Charles Finney’s memoirs was published by Zondervan. Until then, all editions had reflected editorial liberties introduced in the first 19th-century publication, edited after Finney’s death. The restored text—the culmination of over ten years of research by editors Garth Rosell and Richard Dupuis—brought to light Finney’s entire memoirs in their original language. Longstanding omissions and inaccuracies were corrected. Comprehensive annotations supplied detailed, phrase-by-phrase and even word-by-word explanations. The 1989 edition was a scholar’s and historian’s delight. However, the average reader who simply wants to read what Finney wrote doesn’t need the scholarly minutiae. This new edition provides the complete, restored text of Finney’s memoirs with no unnecessary details to obstruct a straightforward read. In bold, untouched language, Finney’s thoughts march across the page with fascinating clarity and cohesiveness. For students of revival or anyone interested in the life of one of America’s foremost evangelists, here in his own words is Charles Finney: his life, his thoughts, his struggles and accomplishments, and his abiding love for God and enduring commitment to the gospel of Christ.

The Memoirs of Charles G. Finney—Charles Grandison Finney 1989 In this new, critical edition of Charles Finney’s memoirs, Garth Rosell and Richard Dupuis have restored the complete text of the original manuscript. Included are never-before-published sections edited out by a protective 19th century editor.

Charles G. Finney—Charles G. Finney 1908

The Autobiography of Charles G. Finney—Charles G. Finney 2006-05-01 Many Christians today may be unaware of the tremendous impact that Charles G. Finney had on the spiritual landscape of the United States. His years of revival work yielded valuable insights on the work of the Holy Spirit and timeless principles that many still find vital for advancing the kingdom of God. A truly fascinating record of a uniquely gifted and godly man, this autobiography is sure to enlighten and inspire Christians of any age or background.

True Christianity—Charles G. Finney 2003-01-01 What is true Christianity? There is perhaps no better person in recent history to answer this question than Finney, the most powerful Christian preacher of the 1800s who sought to articulate what the Scriptures say about living the true Christian life that pleases God.

Autobiography of Charles G. Finney—Charles G. Finney 2017-08-26 The excellent memoirs of Charles G. Finney are published here in their original form: the preface, all thirty-six chapters and the conclusion are included. Charles G. Finney stands as one of the greatest preachers to ever grace the United States. In this book we encounter his life story, told in his own moving and eloquent terms. We journey with the great revered as he captures revival after revival, preaching the word of God to crowds in great cities and villages alike. His eloquent and conscientious sermons, and support of Christian perfection, appealed to many Americans of the era. An inspiring story honestly told, we witness the spiritual growth of Finney and the lessons he dispensed to...
congregations far and wide. Eventually Finney would spread his spiritual wisdom to England and Scotland, where he received a warm reception. A leading Presbyterian, it was through tireless campaigning that Finney united many Christians voices against the practice of slavery, which was abolished after the American Civil War. Charles G. Finney’s later years were spent as a professor of Oberlin College in Ohio, although he continued to preach well into old age. His final few years saw his physical strength depart him, resulting in a gradually shortening of his lectures. However, drawing on his spiritual devotion, he continued preaching until July of 1875; mere weeks before he joined the Lord the following month. This edition of Charles G. Finney's autobiography derives from a text originally released in 1908, which was itself a slightly revised and corrected printing of the original 1876 edition. This readers may gain a full narrative and bear every step of this great man's life.

Experiencing Revival—Charles G. Finney 2000-09-01 Author Charles Finney shows how you can experience revival in your life and what you can do to begin revival in your community and around the world.

Personal Memoirs of U.S. Grant ...—Ulysses Simpson Grant 1885

Experiencing The Presence Of God (4 In 1 Anthology)—Charles Finney 2000-06-14 Does your heart long to live in God’s presence? Do you struggle to maintain a daily relationship with Him? Learn to continually be found in the very presence of God as Charles Finney reveals how you can receive power from on high, rest in true obedience, overcome sin, live in the freedom of faith, and know God's will for your life. Strength to overcome the things of this world can be yours as you daily experience the presence of God.

Lectures on Systematic Theology—Charles Grandison Finney 1847

Power, Passion, & Prayer—Charles Finney 2004-02 In this sensitively updated classic work Finney teaches the reader how we know when revival is needed, how to prevail in prayer for revival and much more.

Educated—Tara Westover 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "An amazing story, and truly inspiring. It's even better than you've heard."—Bill Gates NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivals in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder of she’d travelled too far, if there was still a way home. “Her singularity is compelling...” —The New York Times Book Review. Despite the singularities her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist •
A Moveable Feast - Ernest Hemingway 2021-08-31

"A Moveable Feast" by Ernest Hemingway. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to today's emerging authors, our selection grows continually. So come discover the的故事 are fascinating in their own right, and are important to the culture, and politics.

Divine Healing: The Holiness-Pentecostal Transition Years, 1890-1906 - James Robinson 2013-03-06

In the present volume, James Robinson shows how the Holiness movement contributed to the rise of Pentecostalism, with emphasis on those sectors that practiced divine healing. Although other scholars have undertaken to explore this story, Robinson's treatment is by far the most thorough examination to date. He draws productively on the burgeoning secondary literatures on Pentecostals and healing, and brings to light frequently overlooked, yet revealing primary sources. The events narrated are fascinating in their own right, and are important to the histories of Pentecostalism and healing for how they clarify the processes by which divine healing was pursued, debated, and often disparaged. The text also contributes to larger medical and social histories, offering tantalizing glimpses of the roots of some of today's most popular and contested medical and religious responses to sickness and health.

Sermans on Gospel Themes - Charles G. Finney 1876

An ‘Open-Ended Distinctiveness’ - Clement Yung Wen 2020-11-16

Insofar as the twentieth century has often been referred to as ‘the ecumenical century’, the twenty-first seems poised to become known as ‘the century of World Christianity’. Into this situation, the present study seeks to show the ongoing relevance of Wolfhart Pannenberg’s ecclesiological and ecumenical proposals and, in doing so, finds that his eschatologically-oriented and historically-rooted emphasis upon an ‘open-ended distinctiveness’ is exactly the kind of corrective that the emerging theological paradigm of World Christianity needs if it wants not only to stay contextually ‘open-ended’, but remain ‘distinctively’ Christian in outlook and character as well. Towards that end, the book begins with the story of ecclesiology’s definitional expansion (from the time of the Reformation to now) before tracing the biographical and ideological roots of Pannenberg’s overall programme. The study then proceeds by outlining the main contours of Pannenberg’s ecclesiology and ecumenism, especially as such pertain to World Christianity. In this regard, several facets of Pannenberg’s thought are highlighted for consideration, including his understanding of ‘the church as sign of the kingdom’, his doctrine of participation in Christ, his reassessment of the church’s missionary task, his (underdeveloped) ‘personalist’ and ‘social’ thought-structures, his (ironically relevant) ‘Constantinianism’, his (directly relevant yet abstract) notion of ‘creative love’, and his views concerning contextualization and the ecumenical potential of the Nicene-Constantinopolitan Creed of 381. While much that is here developed serves as a healthy corrective for an emerging theological paradigm that is still maturing, some surprising critical insights arise that also flow the other way.

The Theology of Jonathan Edwards - Michael J. McMurray 2012-01-05

The Story of ECCLESIOLOGY - Wolfhart Pannenberg 1997

The book presents the main contours of Edwards’s theology in its historical and cultural context.

Heaven in the American Imagination - Gary Scott Smith 2011-06-01

Does heaven exist? If so, what is it like? And how does one get in? Throughout history, painters, poets, philosophers, pastors, and many ordinary people have pondered these questions. Perhaps no other topic captures the popular imagination quite like heaven. Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven. He argues that whether Americans have perceived heaven as reality or fantasy, as God's home or a human invention, as a source of inspiration and comfort or an opiate that distracts from earthly life, or as a place of worship or a perpetual playground has varied largely according to the spirit of the age. In the colonial era, conceptions of heaven focused primarily on the glory of God. For the Victorians, heaven was a warm, comfortable home where people would live forever with their family and friends. Today, heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential. Drawing on an astounding array of sources, including works of art, music, sociology, psychology, folklore, liturgy, sermons, poetry, fiction, jokes, and devotional books, Smith paints a sweeping, provocative portrait of what Americans—from Jonathan Edwards to Mitch Albom—have thought about heaven.

“Born Again”: A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism - Stephen J. Hamilton 2017-04-03

Stephen J. Hamilton attempts to create a “portrait” of “born-again” Christianity by providing a general introduction to the doctrine of regeneration, including its development in modernity, as well as short exegeses of relevant scriptural texts, followed by a close reading of four theologians—Philip Jakob Spener, Jonathan Edwards, Friedrich D.E. Schleiermacher, and Charles G. Finney—who all brought unique theological perspectives to the discussion of regeneration. Throughout the volume are what the authors identify as five basic theological constituents: trinitarianism, heaven and angels, sacramental thought, public theology, and views of non-Christian religions. Running through all these is the motif of the “born-again” individual experiencing a transformation of their life’s trajectory as a result of their encounter with the living God. This story of ecclesiology’s definitional expansion (from the time of the Reformation to now) before tracing the biographical and ideological roots of Pannenberg’s overall programme. The study then proceeds by outlining the main contours of Pannenberg’s ecclesiology and ecumenism, especially as such pertain to World Christianity. In this regard, several facets of Pannenberg’s thought are highlighted for consideration, including his understanding of ‘the church as sign of the kingdom’, his doctrine of participation in Christ, his reassessment of the church’s missionary task, his (underdeveloped) ‘personalist’ and ‘social’ thought-structures, his (ironically relevant) ‘Constantinianism’, his (directly relevant yet abstract) notion of ‘creative love’, and his views concerning contextualization and the ecumenical potential of the Nicene-Constantinopolitan Creed of 381. While much that is here developed serves as a healthy corrective for an emerging theological paradigm that is still maturing, some surprising critical insights arise that also flow the other way.

Lectures to Professing Christians
Charles Grandison Finney 1837

David Rainey 2008-07-30
At last—a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers. Covering the three major branches of Christianity (Roman Catholic, Protestant, and Orthodox), the author organizes more than 600 titles into subject categories ranging from biography, the arts, and education, to theology, devotion, and spiritual warfare. Award-winning classics are noted. Introductory narrative frames the literature, and helps librarians better understand Christian literature; and learn how to establish selection criteria for building a Christian nonfiction collection.

In Stalin's Secret Service
W G. Krivitsky 2020-07-14
Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Inseparable: The Original Siamese Twins and Their Rendezvous with American History
Yunte Huang 2018-04-03
National Book Critics Circle Award Finalist (Biography)
New York Times Critics' Best of the Year
One of NPR’s Great Reads of 2018
A Newsweek Best Nonfiction Book of the Year
With wry humor, Shakespearean profundity, and trenchant insight, Yunte Huang brings to life the story of America’s most famous nineteenth-century Siamese twins. Nearly a decade after his triumphant Charlie Chan biography, Yunte Huang returns with this long-awaited portrait of Chang and Eng Bunker (1811-1874), twins conjoined at the sternum by a band of cartilage and a fused liver, who were “discovered” in Siam by a British merchant in 1824. Bringing an Asian American perspective to this almost implausible story, Huang depicts the twins, arriving in Boston in 1829, first as museum exhibits but later as financially savvy showmen who gained their freedom and traveled the backroads of rural America to bring “entertainment” to the Jacksonian mobs. Their rise from subhuman, freak-show celebrities to rich southern gentry; their marriage to two white sisters, resulting in twenty-one children; and their owning of slaves, is here not just another sensational biography but a Hawthorne-like excavation of America’s historical penchant for finding feast in the abnormal, for tyrannizing the “other”—a tradition that, as Huang reveals, becomes inseparable from American history itself.

The Guernsey Literary and Potato Peel Pie Society
Mary Ann Shaffer 2009-05-10
The beloved, life-affirming international bestseller which has sold over 5 million copies worldwide - now a major film starring Lily James, Matthew Goode, Jessica Brown Findlay, Tom Courtenay and Penelope Wilton To give them hope she must tell their story
It’s 1946. The war is over, and Juliet Ashton has writer’s block. But when she receives a letter from Dawsey Adams of Guernsey – a total stranger living halfway across the Channel, who has come across her name written in a second hand book - she enters into a correspondence with him, and in time with all the members of the extraordinary Guernsey Literary and Potato Peel Pie Society. Through their letters, the society tell Juliet about life on the island, their love of books – and the long shadow cast by their time living under German occupation. Drawn into their irresistible world, Juliet sets sail for the island, changing her life forever.
