Jan 04, 2009 · Introduction to Modern Economic Growth is a groundbreaking text from one of today's leading economists. Daron Acemoglu gives graduate students not only the tools to analyze growth and related macroeconomics problems, but also the broad perspective needed to apply those tools to the big-picture questions of growth and divergence.

Introduction to Modern Economic Growth

The Economic History of Australia from 1788: An Introduction
Introduction. The economic benefits of establishing a British colony in Australia in 1788 were not immediately obvious. The Government's motives have been debated but the settlement's early character and prospects were dominated by its original function as a jail. The main settlements were at Port Jackson (modern Sydney, 1788) in New South Wales.
