"The director explores every aspect of his work in film, music, photography, and other aesthetic pursuits, including behind-the-scenes stories about Twin Peaks, Blue Velvet and Mulholland Drive and revelations on his thirty-five years of Transcendental Meditation. Read it because: This is about as close as Lynch will ever come to an interior shot of his famously weird mind."

Table of Contents
ART IS A SPIRITUAL transaction. Artists are visionaries. We routinely practice a form of faith, seeing clearly and moving toward a creative goal that shimmers in the distance—often visible to us, but invisible to those around us. Difficult as it is to remember, it is our work that creates the market, not the market that creates our work. Art

The Definition of Art (Stanford Encyclopedia of Philosophy)
Oct 23, 2007 · The definition of art is controversial in contemporary philosophy, and expresses the same content as they. But art “reveals to consciousness the deepest interests of humanity” in a different manner than do religion and philosophy, because art alone, of the three, works by sensuous means. ---, 1995b, “The Creative Theory of
