The ideas of gangsters and mobsters in the United States, Latvia, and the Caribbean discuss the role of organized crime groups in the United States, the Caribbean, and the world. The book is divided into three parts, with the first part focusing on the history and development of organized crime in the United States, the second part discussing the role of organized crime in the Caribbean, and the third part exploring the impact of organized crime on the world. The book provides a comprehensive overview of the development and impact of organized crime in these regions, highlighting key figures and events. The book is written in a clear and engaging style, and is suitable for students and scholars interested in the history and sociology of organized crime.
