Rather than enjoying a good ebook taking into consideration a cup of coffee in the afternoon, instead they juggled later some harmful virus inside their computer.

Canadian Foreign Policy - J. L. Granatstein 1993

Handbook of Canadian Foreign Policy - Patrick James 2006 Handbook of Canadian Foreign Policy is the most comprehensive book of its kind, offering an updated examination of Canada’s international role some 15 years after the dismantling of the Berlin Wall ushered in a new era in world politics. Tackling recent developments in Canadian foreign policy, the authors of this work spotlight Canadian idiosyncrasies within a global context that are defined by wrenching juxtapositions. The specialists who have contributed their expertise to this book provide sophisticated analysis-conceptual as well as historical-rather than simply impressionistic judgments about contemporary events. Highlighting both well-known and understudied topics, this handbook presents a marriage of the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century.

Justin Trudeau and Canadian Foreign Policy - Norman Hillmer 2018-05-12 This book offers the first comprehensive analysis of Canadian foreign policy under the government of Justin Trudeau, with a concentration on the areas of climate change, trade, Indigenous rights, arms sales, refugees, military affairs, and relationships with the United States and China. At the book’s core is Trudeau’s biggest and most unexpected challenge: the election of Donald Trump as president of the United States. Drawing on recognized experts from across Canada, this latest edition of the respected Canada Among Nations series will be essential reading for students of international relations and Canadian foreign policy and for a wider readership interested in Canada’s age of Trudeau. See other books in the Canada Among Nations series here: https://carleton.ca/npsia/canada-among-nations/

Readings in Canadian Foreign Policy - Duane Brutt 2011 Now in a second edition, Readings in Canadian Foreign Policy is the only book of its kind to incorporate classic and contemporary essays with newly commissioned pieces. Coverage of hot-button issues - such as Canada’s role in Afghanistan, Arctic sovereignty, and the deportation of Maher Arar - will challenge students to consider new, cutting-edge viewpoints alongside the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century.

The Black Book of Canadian Foreign Policy - Yves Engler 2009 "This book could change how you see Canada. Most of us believe this country’s primary role has been as peacekeeper or honest broker in difficult-to-solve disputes. But, contrary to the mythology of Canada as a force for good in the world, The Black Book of Canadian Foreign Policy sheds light on many dark corners: from troops that joined the British in Sudan in 1885 to gunboat diplomacy in the Caribbean and aspirations of Central American empire, to participation in the U.N. mission that killed Patrice Lumumba in the Congo, to important support for apartheid South Africa, Zionism and the U.S. war in Vietnam, to helping overthrow Salvador Allende and supporting the Pinochet dictatorship in Chile, to Haiti, Iraq and Afghanistan today. "We bear responsibility for what governments do in the world, primarily our own, but secondarily those we influence, our allies in particular. Yves Engler’s penetrating inquiry yields a rich trove of valuable evidence about Canada’s role in the world, and poses a challenge for citizens who are willing to take their fundamental responsibilities seriously.”--GoogleBooks.

Canadian Foreign Policy - Brian Bow 2020-11-01 Canadian Foreign Policy, as an academic discipline, is in crisis. Despite its value, CFP is often considered a “stale and pale” subfield of political science with an unfashionably state-centred focus. Canadian Foreign Policy asks why. Practising scholars investigate how they were taught to think about Canada and how they teach the subject themselves. Their inquiry shines a light on issues such as the canonevaluation of academic labour and the relationship between study and policymaking. This nuanced collection offers not only a much-needed assessment of the boundaries, goals, and values of the discipline but also a guide to its revitalization.

Canadian and the Canadian Question - Goldwin Smith 1891 FROST RARE BK. (copy 4) from the John Holmes Library collection.

The Politics of Canadian Foreign Policy, Fourth Edition - Kim Richard Nossal 2015-12-07 The fourth edition of this widely used text includes updates about the many changes that have occurred in Canadian foreign policy under Stephen Harper and the Conservatives between 2006 and 2015. Subjects discussed include the fading emphasis on internationalism, the rise of a new foreign policy agenda that is increasingly shaped by domestic political imperatives, and the changing organization of Canada’s foreign policy bureaucracy. As in previous editions, this volume analyzes the deeply political context of how foreign policy is made in Canada. Taking a broad historical perspective, Kim Nossal, Stéphane Roussel, and Stéphane Paquin provide readers with the key foundations for the study of Canadian foreign policy. They argue that foreign policy is forged in the nexus of politics at three levels – the global, the domestic, and the governmental – and that to understand how and why Canadian foreign policy looks the way it does, one must look at the interplay of all three.

Canada at War: J.L. Granatstein 2020-10-04 This essay collection traces the sustained work over the past fifty years of the foremost historian of Canadian politics in the era of the two world wars.

Canada, Nation Branding and Domestic Politics - Richard Nimjean 2020-06-30 After his Liberal Party’s surprise victory in the 2015 federal Canadian election, Justin Trudeau declared that “Canada was back” on the world stage. This comprehensive volume highlights issues in the relationship between articulated visions of Canada as a global actor; nation branding and domestic politics, noting the dangers of the politicization of the branding of Canada. It also provides the political context for thinking about ‘Brand Canada’ in the Trudeau era. The authors explore the Trudeau government’s embrace of political branding and how it plays out in key areas central to the brand, including: Canada’s relations with Indigenous peoples; social media and digital diplomacy; and the importance of the Arctic region for Canada’s brand, even though it is often ignored by politicians and
that it is essential to account for these factors to understand the varying levels of military cooperation observed. The author convincingly argues met by democratic allies due to domestic political constraints. Second, concerns over the delivery of military assets can further curtail the ability of governments to commit resources to war. The author convincingly argues that it is essential to account for these factors to understand the varying levels of military cooperation observed between the US and its closest partners. This book offers an original comparative analysis of the United Kingdom, Canada, and Australia's response to the wars in Afghanistan and Iraq. The case studies highlight that decisions involving the use of force must address both domestic-level constraints and the importance of the bilateral relationship with the United States. This book explains how American allies can manage requests for political and military support by resorting to effective negotiation strategies to influence the terms of cooperation. American Allies in Times of War offers a comprehensive analysis of why and how allies go to war together and dispels some myths and misconceptions about the politics behind military cooperation. It is intended for policymakers, academics, and students who want to gain insight into how foreign and defence policy is made and how domestic pressures and operational constraints impact contemporary military engagements.

NATO and the Bomb-Erika Simpson 2001 Annotation Employing previously classified Cabinet minutes, memoranda, letters, diaries, drafts of speeches, and other documents, Simpson (political science, U. of Western Ontario) analyzes the underlying beliefs and assumptions of high-level policymakers responsible for shaping Canada's approach to NATO in the cold war years for over 30 years, two conflicting belief systems--the "defenders" and the "critics"--significantly influenced Canada's shifting defense policy, particularly in the areas of nuclear weapons acquisitions and Canadian troop contributions to Europe. Simpson's analysis helps explain contemporary defense decisions and Canada's fluctuating attitudes toward NATO, which have puzzled Americans and Europeans. Annotation c. Book News, Inc., Portland, OR (booknews.com).

Canada 2012 2Bed-Wayne C. Thompson 2012-08-10 This is an annually updated presentation of Canada past and present. It is broken down into sections dealing with Canada's culture, geography, people, history (from New France to the constitutional debates in the late 20th century), political system (including the constitution, monarchy, executive, parliament, legal and court system, federalism and the provinces, provincial governments, parties and elections), defense, economy, future and bibliography.

Auto Pact-Dimitry Anastakis 2005 The 1965 Canada-United States Automotive Trade agreement fundamentally reshaped relations between the automotive business and the state in both countries and represented a significant step toward the creation of an integrated North American economy. Breaking from previous conceptions of the agreement as solely a product of intergovernmental negotiation, Dimitry Anastakis's Auto Pact argues that the 'big three' auto companies played a pivotal role - and benefited immensely - in the creation and implementation of this new automotive regime. With the border effectively erased by the agreement, the pact transformed these giant enterprises into truly global corporations. Drawing from newly released archival sources, Anastakis demonstrates that, for Canada's automotive policy makers, continentalism was a form of economic nationalism. Although the deal represented the end of any notion of an indigenous Canadian automotive industry, significant economic gains were achieved for Canadians under the agreement. Anastakis provides a fresh and alternative view of the auto pact that places it firmly within contemporary debates about the nature of free trade as well as North American - and, indeed, global - integration. Far from being a mere artefact of history, the deal was a forebearer to what is now known as 'globalization.'

Trans-Atlantic Partners-Evan H. Potter 1999-11-19 The study concentrates on changes in Canada's approach to European integration after the watershed of 1989, examining the 1990 EC-Canada Transatlantic Declaration and the emergence of a Single European Market in 1993. Finally, it outlines the choices available to Canadian policy makers in the late 1990s as they sought to widen relations with the EU by proposing a trans-Atlantic free trade zone. This book details important stages in the evolution of Canada-EU economic, political, and security relations, a bilateral relationship that is destined to grow closer in the years ahead.

Brazil and Canada-Rosana Barbosa 2016-12-07 This book synthesizes the relationship between Brazil and Canada to uncover a neglected history. Relying mostly on primary sources, this study is the first synthetic treatment of this relationship; it builds on the limited historiography that does exist and opens up new interpretive channels that can be explored in the future.

Canada 2013-Wayne C. Thompson 2013-08-28 This is an annually updated presentation of Canada past and present.

Why Canadian Unity Matters and why Americans Care-Charles F. Doran 2001-01-01 Charles Doran examines why Canadian unity is important, what drives Quebec separatism in the American view, and the nature of the historical era that has shaped and conditioned secessionist impulse.

Canada 2017-2018-Wayne C. Thompson 2017-08-17 This is an annually updated presentation of Canada past and present. The contents in this volume are organized into sections dealing with Canada’s culture; Geography; people; history (from New France to the constitutional debates in the late 20th century); political system (including the constitution, monarchy, parliament, legal and court system, federalism and the provinces, provincial governments, parties and elections); defense; economy; the future; and a comprehensive bibliography. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 33rd edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.

Canada 2018-2019-Wayne C. Thompson 2018-06-07 This is an annually updated presentation of Canada past and present.

Canada 2016-2017-Wayne C. Thompson 2016-07-20 This is an annually updated presentation of Canada past and present. The contents in this volume are organized into sections dealing with Canada’s culture; Geography; people; history (from New France to the constitutional debates in the late 20th century); political system (including the constitution, monarchy, parliament, legal and court system, federalism and the provinces, provincial governments, parties and elections); defense; economy; the future; and a comprehensive bibliography. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 32nd edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.
