Super Dogs-Malcolm Croft 2015-07-13 Iconic dogs in history, amazing dogs in myth and fiction, and real-life heroes—a collection of tales of courageous caninesThe dogs in this book won’t be donning red cloaks and tight, blue costumes. But they do have extraordinary abilities and out-of-this-world stories that make them super in their own right. From fictional dogs to war-time dogs, faithful dogs to working dogs, life-saving dogs to dogs in space and science, the stories in this book tell the adventures of courageous, trustworthy, and dutiful dogs, reminding us of the true worth of having a canine as a companion.

Snoopy: Contact! (PEANUTS AMP! Series Book 5)-Charles M. Schulz 2015-10-20 Snoopy is one small dog with one huge imagination! From day to day, he can be found stalking the other Peanuts characters as a fierce ready-to-prey vulture, leopard, mountain lion, piranha, or creature from the sea. But his grandest flights of fancy are when he’s airborne as the Flying Ace on his Sopwith Camel seeking out the evil Red Baron. His forays take him through the World War I French countryside in repeated attempts to achieve his quest. In Snoopy: Contact!, enjoy his adventures along with his other unusual encounters: catching bird burglars stealing his Van Gogh, challenging Lucy to an arm-wrestling contest, and becoming the Cheshire beagle.

Change That Law!-C.J. Darling When mean old Mayor Man decides to pass a Law making ferrets illegal, the five clever ferrets in the Mustelid Secret Service decide to teach him how to laugh and play, and not be so angry and mean. But when they creep into his cold, dark house late that night, they find him hurt on the floor. How can five little ferrets work together to save his life? ——— Excerpt ——— ——— Taz? Nova said, twitching her whiskers in the dim red light, ‘Why does Mayor Man want to get rid of all ferrets? Even Humans don’t do things without a reason.? Not usually. Taz agreed with a worried flick of his tail. ‘He says,‘ and his dark eyes moved toward Maggie, ‘that ferrets look like rats. Most Humans are afraid of rats. They aren’t welcome here.‘ Maggie was so angry, she reared up on her back legs and clawed at the air. ‘Ferrets do not look like rats! We have bushy tails, and masks on our faces like raccoons! Even I have one?you just can’t see it? The other ferrets were black, silver, cinnamon, or brown. Their masks were the same colors, and easy to see. They did look a lot like raccoons, with their shiny dark eyes and curious noses. Maggie was pure white, except for the tip of her tail, so it made sense that her mask would also be white. Though he would never admit it, Taz thought she did look a bit like a sleek white rat?though no rat had ever been so proud of her bushy black-tipped tail. Maggie groomed at the same time, nibbling away dust and dirt to keep it full and shiny. ‘We’re not blaming you, Maggie,‘ Nova soothed. ‘Mayor Man is not very smart if he can’t see that most ferrets look totally different. But Taz is right. A lot of Humans are afraid of mice and rats because they steal food and make messy nests in their walls. ’We make nests, too,‘ Goliath said proudly. ‘My nest is in Boy’s bottom clothes drawer. His pants make a nice bed, and keep me warm at night. ‘We know, Goliath,‘ Zephyr smiled. Everyone knew where Goliath’s nest was. ‘But we keep our nests clean. We only put toys and special snacks in them. Mice and rats aren’t clean. That? why Humans hate them. ‘The young giant thought about that for a few minutes. ‘Maybe we could teach them to be clean, and then the Humans wouldn’t hate them or us! It was a great idea, but Nova couldn’t see how to make it happen. ‘Not all Humans hate us,‘ she reminded Goliath. ‘Just the Mayor Man. He has a lot of power in this town. We need to find some way of changing his mind, or he will make our Humans get rid of us! They talked, and talked, and talked some more. But none of them could figure out how to make the mean old Mayor Man change his mind about ferrets. ‘We are not ugly and messy,‘ Maggie scowled as they paused for a snack of crunchy brown ferret pellets. ‘We just like to play and have fun. ‘I wish we could show him how to have fun,‘ Zephyr sighed. ‘Then maybe he wouldn’t be so mean. ‘Taz sat up so suddenly that old Quincy jolted awake on his branch and peered down at them. ‘Zephyr, that’s it! If we show him how to have fun, he’s sure to like us! American Newspaper Comics-Allan Holtz 2012 The most comprehensive guide to U.S. newspaper comics ever published

Adventures in the Scribblers Trade—Neil Hickey 2015-02-26 Neil Hickey was a twenty-four year old job seeker when he heard the editor of a major magazine call journalism “the most fun you can have, standing up.” The young reporter had already come to that conclusion independently after working his way through college as a Baltimore newspaperman. He’d go on to spend more than a half century meeting movie stars, musicians, and some of the most powerful people in Washington as he honed his craft. Now an adjunct professor at the Columbia University Graduate School of Journalism, Hickey shares an insider’s view of pop culture, war, oppression, and even happenings beyond our solar system. Meeting astronaut Neil Armstrong trumped interviews with presidents of the United States, secretaries of state and Nobel Prize winners. In Singapore, his assignment was to serve as a judge for the Miss Universe contest. Whether it’s chatting with President Bill Clinton or Jimmy Carter, traveling with former Secretary of State Henry Kissinger or investigating the Challenger spacecraft disaster, Hickey shares deep insights into American culture, the nature of war, and the art of journalism in Adventures in the Scribblers Trade.

My Father’s Greatest Gift—L. D. Marchell 2016-11-18 Each chapter begins with noted scripture verses to read from the Bible in relation to the context of each chapter. The following is a true story, as narrated through the eyes of a black English Labrador retriever named Chert, whose purpose is revealed in this story. In his own words, throughout his fourteen years of life, Chert Dog comments that doghead is pretty easy to learn, you just have to speak from your heart. This velvety black, with chocolate accents, English Labrador retriever came into my fathers life a few months after the unexpected death of my mother. It touches on the Slovak ethnic background of our family, hence his name Chert, which means devil. He shares his triumphs and escapades as well as his life’s mission. With a doghead slant on wisdom and his purpose, the story’s main theme is about the power of unconditional love and forgiveness.

The Peanuts Papers: Writers and Cartoonists on Charlie Brown, Snoopy & the Gang, and the Meaning of Life—Andrew Blauner 2019-10-22 A one-of-a-kind celebration of America's greatest comic strip—and the life lessons it can teach us—from a stellar array of writers and artists. Over the span of fifty years, Charles M. Schulz created a comic strip that is one of the indisputable glories of American popular culture—hilarious, poignant, inimitable. Some twenty years after the last strip appeared, the characters Schulz brought to life in Peanuts continue to resonate with millions of fans, their beguiling four-panel adventures and television escapades offering lessons about happiness, friendship, disappointment, childhood, and life itself. In The Peanuts Papers, thirty-three writers and artists reflect on the deeper truths of Schulz’s deceptively simple comic, its impact on their lives and art, and on the broader culture. These enchanting, affecting, and often quite personal essays show just how much Peanuts means to its many admirers—and the ways it invites us to ponder, in the words of Sarah Boxer, “how to survive and still be a decent human being” in an often bewildering world. Featuring essays, memoirs, poems, and two original comic strips, here is the ultimate reader’s companion for every Peanuts fan. Featuring: Jill Blaisdol Lisa Birmbach Sarah Boxer Jennifer Finney Boylan Ivan Brunetti Hilary Fitzgerald Campbell Rich Cohen Gerald Early Umberto Eco Jonathan Franzen Ira Glass Adam Gopnik David Hajdu Bruce Handy David Kamp Maxine Hong Kingston Chuck Klosterman Peter D. A Charlie Brown Religion - Stephen J. Lind 2015-11-04 Charles M. Schulz's Peanuts comic strip franchise, the most successful of all time, forever changed the industry. For more than half a century, the endearing, witty insights brought to life by Charlie Brown, Snoopy, Linus, and Lucy have caused newspaper readers and television viewers across the globe to laugh, sigh, gasp, and ponder. A Charlie Brown Religion explores one of the most provocative topics Schulz broached in his heartwarming work--religion. Based on new archival research and original interviews with Schulz's family, friends, and colleagues, author Stephen J. Lind offers a new spiritual biography of the life and work of the great comic strip artist. In his lifetime, aficionados and detractors both labeled Schulz as a fundamentalist Christian or an atheist. Yet his deeply personal views on faith have eluded journalists and biographers for decades. Previously unpublished writings from Schulz will move fans as they begin to see the nuances of the humorist's own complex, intense journey toward understanding God and faith. "There are three things that I've learned never to discuss with people," Linus says, "Religion, politics, and the Great Pumpkin." Yet with the support of religious communities, Schulz bravely defied convention and dared to express spiritual thought in the "funny pages," a secular, mainstream entertainment medium. This insightful, thorough study of the 17,897 Peanuts newspaper strips, seventy-five animated titles, and global merchandising empire will delight and intrigue as Schulz considers what it means to believe, what it means to doubt, and what it means to share faith with the world.

Spaceman (Adapted for Young Readers) - Mike Massimino 2020-04-07 An astronaut who completed spacewalks on two Hubble missions tells his inspiring story in this middle grade adaptation of his bestselling adult memoir, Spaceman: An Astronaut's Unlikely Journey to Unlock the Secrets of the Universe. Fans of The Right Stuff and Apollo 13 will be thrilled by this astronaut's real life adventure. From the time he was seven-years-old and saw Apollo 11 land on the moon, Mike Massimino dreamed of becoming an astronaut. Long Island is a long way from space. Kids like him, growing up in working-class families, seldom left the neighborhood. But with the encouragement of teachers and mentors, Mike ventured down on a path that took him to Columbia University and to MIT. It wasn't easy. There were academic setbacks and disappointments aplenty--and NASA turned him down three times. Still, Mike never gave up. He rose to each challenge and forged ahead, inching closer to realizing his boyhood dream. His love of science and space, along with his indomitable spirit and sense of teamwork eventually got him assigned to two missions to fix the Hubble Space Telescope--as a spacewalker. Spaceman takes readers on Mike's unlikely ride from Earth to space, showing the breathtaking wonder of science and technology along the way. "Mike Massimino is a spaceman through and through. In this edition for young people, he tells us how hard work can take you out of this world. He believes in teamwork, and he never gives up.
