The Oxford Handbook of Global LGBTI and Sexuality Studies (Palgrave Studies in Global LGBTIQ Studies) By John Puka 2021-02-19 The handbook explores the political, historical, and social dimensions of sexualities and gender identities around the world, analyzing intersections of sexuality, gender, race, class, nationality, religion, and law. The contributors present myriad ways in which the sociopolitical dynamics of sexuality and gender are experienced and negotiated across diverse contexts, illustrating the complex ways in which power and identity are constructed and contested. The chapters demonstrate how sexual identities are shaped by and shape social, economic, and political processes, and how power relations, gender norms, and identities are reconfigured through struggles for sexual freedom and justice. The handbook aims to provide a comprehensive and critical understanding of the global LGBTI and sex studies field, highlighting the diverse experiences and struggles of LGBTQII and gender nonconforming people around the world.

Sexual Diversity in Asia, C. 600-1950 (Historical Studies of Asia and the Pacific) By C. Gordon 2018-03-01 This book offers a fresh perspective on the history of sexual diversity in Asia from the sixth century to the present day. It examines the rich and diverse sexual practices, desires, and identities that have been documented in various cultural contexts across Asia. The book covers a wide range of topics, including same-sex relationships, gender nonconformity, and the role of religion in shaping sexual identities. It also explores the impact of colonialism and modernization on sexual diversity in Asia. Through detailed case studies and analysis, the book provides a comprehensive overview of the historiography of sexuality in Asia, challenging the traditional narrative of Western dominance in the field.

Decolonizing the Sodomite Queer Tropes Of Sexuality In Colonial Andean Culture (Perverse Modernities: Theories of Sexual Cultures and Visual Arts) By Emily P. Smith 2020-04-20 This book offers a new perspective on the representation of same-sex desire in colonial Andean culture. It challenges the traditional narrative of Western dominance in the representation of sexuality in the Americas, offering instead a Queer perspective that highlights the fluidity and complexity of sexual identities in the region. The book examines the role of colonial power in shaping sexual identities and desires in the Andes, and explores the ways in which Queer tropes have been used to challenge and resist these narratives. Through detailed analysis of visual and literary texts, the book provides a comprehensive understanding of the representation of same-sex desire in colonial Andean culture.

LGBTI Activism and Resistance: A Global History (Revealing LGBTI Mobilizations) By Daniel Boyarin 2021-01-01 This book offers a comprehensive overview of the history of LGBTI activism and resistance movements around the world. It explores the ways in which these movements have challenged and resisted discrimination and oppression based on sexual orientation, gender identity, and expression. The book covers a wide range of topics, including the history of the gay rights movement, the role of queer activism in challenging systems of power, and the impact of global events on the struggles of LGBTI communities. Through detailed case studies and analysis, the book provides a comprehensive understanding of the history of LGBTI activism and resistance movements.

Latin America and Globalization (Latin America and Globalization) By Patricia M. Goyeneche 2021-01-31 This book offers a comprehensive overview of the impact of globalization on Latin America. It explores the ways in which processes of globalization have shaped the region’s political, economic, and social development, and examines the challenges and opportunities that these processes have presented for Latin American societies. The book covers a wide range of topics, including the impact of globalization on trade, investment, and financial flows, and the role of globalization in shaping cultural and social change. Through detailed analysis of case studies and historical examples, the book provides a comprehensive understanding of the impact of globalization on Latin America.
