Dutch Golden Age - Wikipedia
The Dutch Golden Age (Dutch: Gouden Eeuw [ˈɣʌudə(n) ˈeːu]) was a period in the history of the Netherlands, roughly spanning the era from 1588 (the birth of the Dutch Republic) to 1672 (the Rampjaar, "Disaster Year"), in which Dutch trade, science, and art and the Dutch military were among the most acclaimed in Europe. The first section is characterized by the Eighty Years’ ...

Netherlands - Dutch civilization in the Golden Age (1609)
Dutch literature, which knew great creativity during the Golden Age, remained the possession of the relatively small number of those who spoke and read Dutch. Figures such as the historian P.C. Hooft or the poets Constantijn Huygens and Joost van den Vondel (the last of whom was also a distinguished playwright) wrote with a power and a purity

Dutch art - Wikipedia
Dutch Golden Age painting was among the most acclaimed in the world at the time, during the seventeenth century. There was an enormous output of painting, so much so that prices declined seriously during the period. From the 1620s, Dutch painting broke decisively from the Baroque style typified by Rubens in neighboring Flanders into a more realistic style of depiction, very ...

T here’s a new definition of literature in town. It has been slouching toward us for some time now but may have arrived officially in 2009, with the publication of Greil Marcus and Werner Sollors's A New Literary History of America. Alongside essays on Twain, Fitzgerald, Frost, and Henry James, there are pieces about Jackson Pollock, Chuck Berry, the telephone, the Winchester rifle, and

European exploration - The Age of Discovery | Britannica
European exploration - European exploration - The Age of Discovery: In the 100 years from the mid-15th to the mid-16th century, a combination of circumstances stimulated men to seek new routes, and it was new routes rather than new lands that filled the minds of kings and commoners, scholars and seamen. First, toward the end of the 14th century, the vast empire of the Mongols ...
