[PDF] Old Ghosts And Other Revenants

Revenant - Wikipedia
Comparison to other folkloreistic and mythological undead. The term “revenant” has been used interchangeably with “ghost” by folklorists. While some maintain that vampires derive from Eastern European folklore and revenants derive from Western European folklore, many assert that revenant is a generic term for the undead.

Ghost - Wikipedia
The English word ghost continues Old English geast, from Proto-Germanic *gaistaz. It is common in West Germanic, but lacking in North Germanic and East Germanic (the equivalent word in Gothic is geham, Old Norse has æmi, and Old Frisian *gaiam). The Greek word for ghost is ῥάπανθος, from the root ῥάπανθος denoting “fairy, angel” reflected in Old Norse geist ("to rape").

Revenants - The RuneScape Wiki
Revenants, also called the Holy Ones,[1] are the ghostly versions of creatures slain in the God Wars, and used to be amongst the most dangerous type of monsters in RuneScape. The word revenant comes from a French word meaning “returning”. Before 1 February 2011, Revenants could be found patrolling freely around various parts of the Wilderness, but are now found only in the north-east chamber of the Wilderness.

Revenant imp - OSRS Wiki - Old School RuneScape Wiki
The revenant imp is a type of revenant that inhabits the Revenant Caves, which is a PvP-enabled area that is part of the Wilderness. Like all revenants, they can restore their health when they fall below 50% and will react to a player's protection prayers; wearing a charged braclet of eternum will reduce all revenant damage by 75%. The Salve amulet can be a good option for killing revenants.

Revenant ork - OSRS Wiki - Old School RuneScape Wiki
The revenant ork, also known as the Revenant Caves, is a PvP-enabled area that is part of the Wilderness. Like all revenants, they can restore their health when they fall below 50% and will react to a player's protection prayers; wearing a charged braclet of eternum will reduce all revenant damage by 75%. The Salve amulet can be a good option for killing revenants.

Ghost - The RuneScape Wiki
A ghost is an undead monster that is found in various places and dungeons. They are the souls of the dead who are unable to pass onto the afterlife, mainly due to an issue they had as living members that was not resolved when they died. They may also be summoned by necromancers to do their bidding, much like zombies and skeletons.

Old ghosts and other revenants
Stories of spirits returning from the afterlife are as old as storytelling: accounts of ghosts and revenants which have crossed the mysterious border between the living and the dead are a dominant feature of human history.

Wynonna Earp
Revenant imp or Revenant ork are one of the most dangerous type of monsters in RuneScape. Both revenant imp and revenant ork can restore health when their health falls below 50% and react to the player's protection prayers. Both revenant imp and revenant ork can be found in the north-east chamber of the Wilderness.
