Charles Dickens as Social Commentator and Critic

In Hard Times Dickens created a Condition-of-England novel, which directly engaged with contemporary and social issues. The volume edition of the novel bore the subtitle: “For These Times”, which referred to Carlyle’s essay of 1829 “Signs of the Times” (text). Victorian era life in England. Victorians society

Victorian era England & Life of Victorians. British History from Georgian to Edwardian Era. The Georgian era is a period in British history from 1714 to c. 1830–37, named after the Hanoverian kings George I, George II, George III and George IV. The Victorian time period is known for its hierarchy based social order. English society - Wikipedia

English society comprises the group behaviour of the English people, and of collective social interactions, organisation and political attitudes in England. The social history of England evidences many social and societal changes over the history of England, from Anglo-Saxon England to the contemporary forces upon the Western world. These major social changes have both internally and in... The Red and the Black - Wikipedia

Le Rouge et le Noir (French pronunciation: [la ʁuɛ di lagram]; meaning The Red and the Black) is a historical psychological novel in two volumes by Stendhal, published in 1830. It chronicles the attempts of a provincial young man to rise socially beyond his modest upbringing through a combination of talent, hard work, deception, and hypocrisy. 1830-1839 | Fashion History Timeline

Apr 03, 2020 - W uncommonly during the 1830s was exuberant and dramatic, tied closely to Romanticism, which influenced all aspects of society during the first half of the nineteenth century (Fig.1). Romanticism emphasized emotion, the beauty of nature, and individualism. For women, there was a general sentiment about the domestic sphere and the importance of a moral center at home (Bannatt 16-17). Culture of England - people, culture, traditions

The major change in England’s social identity structure has been the shrinking number of workers in manufacturing and the increasing number of people who work in service industries, and modern work in older forms such as the novel and helped develop the short story.
