Eventually, you will utterly discover a supplementary experience and skill by spending more cash. Yet when? Accomplish you bow to that you require to acquire those every needs taking into consideration having significantly cash? Why don't you attempt to get something basic in the beginning? That's something that will lead you to comprehend even more nearly the globe, experience, some places, when history, amusement, and a lot more?

It is your totally own times to conduct yourself reviewing habit. In the midst of guides you could enjoy now is The People of Providence A Housing Estate And Some Of Its Inhabitants below.

The People of Providence - Tony Parker 1983

The People of Providence - Tony Parker 2011-12-15 A profound collection of interviews with residents of a 1980's South London housing estate; a human symphony of the everyday, in all its courageous diversity.

The People of Providence - Tony Parker 2013-10-17 During a period of 5 years, Parker listened to the inhabitants of an apparently unremarkable housing estate in South London, and discovered a richness and diversity of life which would otherwise have gone unrecorded.

Providence - Caroline Kepnes 2018-06-19 “Part love story, part supernatural thriller and completely engrossing” (People)—from the acclaimed author of You, now a hit Netflix series IN DEVELOPMENT AS A PEACOCK ORIGINAL SERIES FROM THE EXECUTIVE PRODUCERS OF YOU “A dark beauty of a book, Providence kept me up at night with characters that made my heart a little bigger.”—Jessica Knoll, New York Times bestselling author of Luckiest Girl Alive Best friends in small-town New Hampshire, Jon and Chloe share an intense, near-mystical bond. But before Jon can declare his love for his soul mate, he is kidnapped, and his plans for a normal life are permanently dashed. Four years later, Jon reappears. He is different now: bigger, stronger, and with no memory of the time he was gone. Jon wants to pick up where he and Chloe left off—until the horrifying instant he realizes he possesses strange powers that pose a grave threat to everyone he cares for. Afraid of hurting Chloe, Jon runs away, embarking on a journey for answers. Meanwhile, in Providence, Rhode Island, healthy college students and townies with no connection to one another are inexplicably dropping dead. A troubled detective prone to unexplainable hunches, Charles “Eggs” DeBenedictus suspects there’s a serial killer at work. But when he starts asking questions, Eggs is plunged into a shocking whodunit he never could have predicted. With an intense, mesmerizing voice, Caroline Kepnes makes keen and powerful observations about human connection and how love and identity can dangerously blur together. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE “Providence is a novel that doesn’t fit into one box—it’s tender and dark, eerie and cool, heartbreaking but also an affirmation of the power of love. Kepnes perfectly captures each character’s struggle and pain in such a unique, unconventional way that every page—every sentence—is a delightful surprise.”—Sara Shepard, #1 New York Times bestselling author of Pretty Little Liars “Caroline Kepnes is cool right this minute. . . . [Providence is] terrifically conceived and executed. . . . Kepnes has an exhilarating, poppy, unexpected voice.”—The New York Times Book Review “An addictive horror-tinged romance that’ll keep you guessing.”—Entertainment Weekly

People of Providence Street - John Gooding 1967 "A young woman named Tue, in the faceless crowd in an asylum, receives letters from two former neighbors which lead us back into her life, and a story unfolds that is comical, ironic, and touching. Peopled with strongly individual
characters, it not only gives us sympathetic insight into the sensitive and disturbed girl Tue, but throws light on the way we all try to use one another's lives to serve our own hidden needs."--Book jacket.

**North Providence**-Paul F. Caranci 2012 In 1765, settlers to the west of Providence petitioned to form their own township. Their prayers were answered, and North Providence, Rhode Island, was born. While it sheltered religious dissenters, North Providence was also the sparking point of the Industrial Revolution—native sons and industrialists Samuel Slater and Zachariah Allen reinvented the cotton industry and altered the course of the nation. In this history of North Providence, author Paul F. Caranci celebrates the town's colorful characters and provides walking tours for the villages of Lymansville, Allendale, Centredale and Fruit Hill. Learn how North Providence native Stephen Olney became a Revolutionary War hero when he pulled an injured James Monroe from the battlefield and how Frank C. Angell became a spokesman for Centredale. Caranci reveals the unique history of North Providence and the people who shaped it.

**Providence**-Chris Coppernoll 2012-11-12 More than twenty years ago a drunk driver shattered Jack Clayton's family. Angry, confused and as naïve as any college freshman, he trades his small Midwestern town for another, only to find that it too is too small to contain his dreams. Or is it? Now an instrumental part of the Campus Missions Office and a New York Times Bestselling author, he makes his home in that very college town, where the past and "the one that got away" relentlessly haunt him and the future becomes increasingly uncertain thanks to a big city reporter with a malicious agenda. Will he have to walk away from the ministry that he spent decades building? Or can he find a way to confront the rumors and set the record straight? In a race against the clock, Jack throws caution to the wind and finds that even he may deserve a second chance.

**Beautiful Disaster Signed Limited Edition**- Jamie McGuire 2012-11-27 Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

**Persons of Color and Religious at the Same Time**-Diane Batts Morrow 2002 Annotation Founded in Baltimore in 1828, the Oblate Sisters of Providence formed the first permanent African-American Roman Catholic sisterhood in the United States. Exploring the antebellum history of this pioneering sisterhood, Batts Morrow demonstrates the centrality of race in the Oblate experience.

**Providence**-Max Barry 2020 Seven years after first contact, Providence Five launches. An enormous warship, built to protect humanity, it has a crew of four. Gilly, Talia, Anders, and Jackson will be confined to the ship for years, monitoring the AI-powered ship and reporting the war's progress to a global audience by way of social media. When their communications are cut, their ship becomes increasingly trustworthy. To survive, they must win a fight that is suddenly and terrifyingly real. -- adapted from jacket

**Providence**-John Piper 2021-02-09 New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God’s purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the allencompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God’s mission in this world.

**Washington's Providence** - Chris LaFata 2013

Former history professor John Curry has been recruited by a time-travel company to scout the best vantage point for clients to witness the inauguration of the first President of the United States. There's just one problem: When he arrives in 1789, there is no inauguration—and no United States. Until this point, the time-travel job has had its perks. Getting relationship advice from the legendary lover, Casanova, was valuable. Accompanying Casanova to the opening night of Mozart's opera, Don Giovanni, was even better. But being stranded in the British Colony of New York isn't what he signed up for. Few people have even heard of George Washington, and the short-lived American Revolution failed—presumably because Washington wasn't alive to lead it. John always knew history could change on a dime, but not after it already happened. Right? After learning Washington was killed thirty years earlier during the French and Indian War, John realizes the only way he can return home is to ensure there's a United States to return to. Everything hinges on keeping Washington alive—not the easiest task protecting someone famous for leading battles on the front lines while perched on a horse. While traveling further back through time to protect Washington, he uncovers a secret the Freemasons have kept for more than two and a half centuries and learns that the history he thought he knew was completely wrong.

**The Providence of Fire** - Brian Staveley

2015-01-13 The Providence of Fire is the second novel in Brian Staveley's Chronicle of the Unhewn Throne, a gripping new epic fantasy series. The conspiracy to destroy the ruling family of the Annurian Empire is far from over. Having learned the identity of her father's assassin, Adare flees the Dawn Palace in search of allies to challenge the coup against her family. Few trust her, but when she is believed to be touched by Intarra, patron goddess of the empire, the people rally to help her retake the capital city. As armies prepare to clash, the threat of invasion from barbarian hordes compels the rival forces to unite against their common enemy. Unknown to Adare, her brother Valyn, a renegade member of the empire's most elite fighting force, has allied with the invading nomads. The terrible choices each of them has made may make war between them inevitable. Between Valyn and Adare is their brother Kaden, rightful heir to the Unhewn Throne, who has infiltrated the Annurian capital with the help of two strange companions. The knowledge they possess of the secret history that shapes these events could save Annur or destroy it. Chronicle of the Unhewn Throne The Emperor's Blades The Providence of Fire The Last Mortal Bond Other books in the world of the Unhewn Throne Skullsworn (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Prince of Providence** - Mike Stanton

2004-07-13 COP: “Buddy, I think this is a whorehouse.” BUDDY CIANCI: “Now I know why they made you a detective.” Welcome to Providence, Rhode Island, where corruption is entertainment and Mayor Buddy Cianci presided over the longest-running lounge act in American politics. In The Prince of Providence, Pulitzer Prize–winning journalist Mike Stanton tells a classic story of wiseguys, feds, and politicians on a carousel of crime and redemption. Buddy Cianci was part urban visionary, part Tony Soprano—a flawed political genius in the mold of Huey Long and James Michael Curley. His lust for power cost him his marriage, his family, and close friendships. Yet he also revitalized the city of Providence, where ethnic factions jostle with old-moneyed New Englanders and black-clad artists from the Rhode Island School of Design rub shoulders with scam artists from City Hall. For nearly a quarter of a century, Cianci dominated this uneasy melting pot. During his first administration, twenty-two political insiders were convicted of corruption. In 1984, Cianci resigned after pleading guilty to felony assault, for torturing a man he suspected of sleeping with his estranged wife. In 1990, in a remarkable comeback, Cianci was elected mayor once again; he went on to win national acclaim for transforming a dying industrial city into a trendy arts and tourism mecca. But in 2001, a federal corruption probe dubbed Operation Plunder Dome threatened to bring the curtain down on Cianci once and for all. Mike Stanton takes readers on a remarkable journey through the underside of city life, into the bizarre world of the mayor and his supporting cast, including: • “Buckles” Melise, the city official in charge of vermin control, who bought Providence twice as much rat poison as the city of Cleveland, which was at the time four times as large, and wound up increasing Providence’s rat population.
During a garbage strike, Buckles sledgehammered one city employee and stuck his thumb in another’s eye. Cianci would later describe this as “great public policy.” • Anthony “the Saint” St. Laurent, a major Rhode Island bookmaker and loan shark, who tried to avoid prison by citing his medical need for forty bowel irrigations a day, thus earning himself the nickname “Public Enema Number One.” • Dennis Aiken, a celebrated FBI agent and public corruption expert, who asked to be sent to “the Louisiana of the North,” where he enlisted an undercover businessman to expose the corrupt secrets of Cianci’s City Hall. The Prince of Providence is a colorful and engrossing account of one of the most tragicomic figures in modern American life—and the city he transformed.

Rescuing Providence-Michael Morse
2015-08-04 Former EMT and firefighter Michael Morse takes you along for the ride as he and his fellow officers respond to 24 emergency calls in a 34-hour period. Rescuing Providence is a fascinating glimpse into the daily lives of the people who do a critical job that is often dangerous, sometimes thankless, but ultimately rewarding.

People of Providence-Our Whole Country (Politician) 1831

Studs Terkel-Tony Parker 1997 The writing and broadcasting phenomenon that is Studs Terkel is interviewed along with his wife and son, friends, colleagues and producers to paint a rich portrait of the man who has, for so long, given a voice to the voiceless

Native Providence-Patricia E. Rubertone
2020-12 Native Providence reveals stories of Native urban life in Providence, Rhode Island, shaped by the dynamics of colonialism, race, and class and not least by the survival of people who today live among the ruins of modernity.

Eden-Jamie McGuire She had seen the unspeakable. She would learn the unknowable. Now, she would fight the invincible. In the third and final installment of the Providence series, Nina Grey will marry the wrong man, carry the child that was never supposed to be born, and fight a war she can’t win. Faced with the impossible task of protecting his new wife and unborn child against the throes of Hell, Jared Ryel is allowed no mistakes. Pressured to return the Naissance de Demoniac to Jerusalem, he revisits St. Ann’s to learn the answers were in front of him all along. Together, they must survive long enough to let their child save them - and the world.

People of Providence-Joe David Pool 1992

The Progress of Providence-Samuel Greene Arnold 2017-12-27 Excerpt from The Progress of Providence: A Centennial Address to the Citizens of Providence, R. I Antinomian settlers to carry out the same principle of the undervied independence of the soul, the accountability of man to his Maker alone in all religious concerns. After the union of the four original towns into one colony under the Parliamentary patent of 1643, confirmed and continued by the Royal charter of 1663, the history of the town becomes so included in that of the colony in all matters of general interest that it is difficult to divide them. The several towns, occupied chiefly with their own narrow interests present little to attract in their local administration, but spoke mainly through their representatives in the colonial assembly upon all subjects of general importance. It is there that we must look for most of the facts that make history, the progress of society, the will of the people expressed in action. To these records we must often refer in sketching the growth of Providence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Providence - Leigh Hayes 2020-02-11 With every click of the shutter, photographer Rebekiah Kearns finds it harder and harder to keep Lindsey Blackwell in focus without getting too close.

Providence Lost - Paul Lay 2020-01-09 'A compelling and wry narrative of one of the most intellectually thrilling eras of British history' Guardian. *************** England, 1651. Oliver Cromwell has defeated his royalist opponents in two civil wars, executed the Stuart king Charles I, laid waste to Ireland, and crushed the late king's son and his Scottish allies. He is master of Britain and Ireland. But Parliament, divided between moderates, republicans and Puritans of uncompromisingly millenarian hue, is faction-ridden and disputatious. By the end of 1653, Cromwell has become 'Lord Protector'. Seeking dragons for an elect Protestant nation to slay, he launches an ambitious 'Western Design' against Spain's empire in the New World. When an amphibious assault on the Caribbean island of Hispaniola in 1655 proves a disaster, a shaken Cromwell is convinced that God is punishing England for its sinfulness. But the imposition of the rule of the Major-Generals - bureaucrats with a penchant for closing alehouses - backfires spectacularly. Sectarianism and fundamentalism run riot. Radicals and royalists join together in conspiracy. The only way out seems to be a return to a Parliament presided over by a king. But will Cromwell accept the crown? Paul Lay narrates in entertaining but always rigorous fashion the story of England's first and only experiment with republican government: he brings the febrile world of Oliver Cromwell's Protectorate to life, providing vivid portraits of the extraordinary individuals who inhabited it and capturing its dissonant cacophony of political and religious voices. *************** Reviews: 'Briskly paced and elegantly written, Providence Lost provides us with a first-class ticket to this Cromwellian world of achievement, paradox and contradiction. Few guides take us so directly, or so sympathetically, into the imaginative worlds of that tumultuous decade' John Adamson, The Times. 'Providence Lost is a learned, lucid, wry and compelling narrative of the 1650s as well as a sensitive portrayal of a man untravled by providence' Jessie Childs, Guardian.

Expanding Housing Resources for the Physically Disabled People in Providence Through the Providence Housing Authority - Anne Cunningham 1990

Help Is Here - Marian Hodges 2014-05-01

Providence - Jamie McGuire 2011-07-31 In the old world shadows of Providence, Rhode Island, Nina Grey finds herself the center of a war between Hell and Earth. Struggling with her father’s recent death, Nina meets Jared Ryel by chance...or so she believes. Although his stunning good looks and mysterious talents are a welcome distraction, it soon becomes clear that Jared knows more about Nina than even her friends at Brown University. When questions outnumber answers, Jared risks everything to keep the woman he was born to save—by sharing the secret he was sworn to protect. When her father's former associates begin following her in the dark, Nina learns that her father is not the man she thought he was, but a thief who stole from demons. Searching for the truth behind her father’s death, Nina stumbles upon something she never expected—something Hell wants—and only she holds the key.

Providence - Lisa Colozza Cocca 2014-02-18 The eldest of ten children on a dirt-poor farm, Becky trudges through life as a full-time babysitter, trying to avoid her father's periodic violent rages. When the family's barn burns down, her father lays the blame on Becky, and her own mother tells her to run for it. Run she does, hopping into an empty freight car. There, in a duffel bag, Becky finds an abandoned baby girl, only hours old. After years of tending to her siblings, sixteen-year-old Becky knows just what a baby needs. This baby needs a mother. With no mother around, Becky decides, at least temporarily, this baby needs her. When Becky hops off the train in a small Georgia town, it's with baby "Georgia" in her arms. When she meets Rosie, an eccentric thrift-shop owner, who comes to value and love Becky as no one ever has, Becky rashly claims the baby as her own. Not everyone in town is as welcoming as Rosie, though. Many suspect Becky and her baby are not what they seem. Among the doubters is a beautiful, reclusive woman with her own terrible loss and a long history with Rosie. As Becky's life becomes entangled with the lives of the people in town, including a handsome boy...
who suspects Becky is hiding something from her past, she finds her secrets more difficult to keep. Becky should grab the baby and run, but her newfound home and job with Rosie have given Becky the family she’s never known. Despite her guilt over leaving her mother alone, she is happy for the first time. But it’s a happiness not meant to last. When the truth comes out, Becky has the biggest decision of her life to make. Should she run away again? Should she stay—and fight? Or lie? What does the future hold for Becky and Georgia? With a greatness of heart and a stubborn insistence on hope found in few novels of any genre, Providence proves that home is where you find it, love is an active verb, and family is more than just a word. "When 16-year-old Becky Miller rescues an abandoned newborn, a nontraditional family is born, attracting other warm-hearted women into its folds. Reading Providence is like cozying up with longtime friends in front of a homey fire." --Sherry Shahan, author of Skin and Bones (Albert Whitman & Co.) "A beautifully written tale about trying to make the right choice when there might not be one." --Wendy Mass, author of A Mango-Shaped Space (Little Brown Books for Young Readers)

Articles, Depositions, &c. of the People of New Providence,- 1702

Rescued-Jill Burrell 2021-05-04 Breaking down in a nowhere town called Providence wasn't part of the plan. The only break single mother, Amy Lawson, catches after losing her job and finding her boyfriend with another woman, is a broken-down car. Stranded and desperate, she finds herself at the mercy of a handsome, brooding mechanic. When he offers her help, she accepts, knowing too well the pain that comes from trusting others. Widower and grieving father, Ben Young, fixes cars and avoids people. He can’t stand to see the pity in their eyes. There’s something different in Amy’s eyes, though, and he’s driven to help her—for her little girl’s sake. But helping means caring, and that’s not something he’s capable of. Not anymore. Just when it looks like a relationship might be possible between Ben and Amy, she realizes her breaking down in this small town wasn’t an accident. She holds the key to what happened to Ben’s family. But will her quest for answers cost her everything?

Requiem-Jamie McGuire 2011-07-31 Dreaming of the dead might mean a restless night for anyone, but for Nina Grey, it was a warning. Still healing from her last run-in with Hell, Nina struggles with not only her life as a Brown University student, but also as an intern at Titan Shipping, her father’s company. Recurring nightmares about her father’s violent death have become a nightly event, but being overwhelmed with guilt from Ryan’s unexpected departure to the Armed Forces, and heart ache over Claire being across the ocean to protect him, Nina believes her sleepless nights are the least of her problems—but she’s wrong. Worried about Nina’s declining health, Jared must steal back Shax's book for answers. Fighting new enemies with the help of old friends, Jared’s worst fear comes to fruition. Desperate, he is faced with a choice: Fight Hell alone, or start a war with Heaven.

By More Than Providence-Michael J. Green 2017-03-21 Soon after the American Revolution, certain of the founders began to recognize the strategic significance of Asia and the Pacific and the vast material and cultural resources at stake there. Over the coming generations, the United States continued to ask how best to expand trade with the region and whether to partner with China, at the center of the continent, or Japan, looking toward the Pacific. Where should the United States draw its defensive line, and how should it export democratic principles? In a history that spans the eighteenth century to the present, Michael J. Green follows the development of U.S. strategic thinking toward East Asia, identifying recurring themes in American statecraft that reflect the nation’s political philosophy and material realities. Drawing on archives, interviews, and his own experience in the Pentagon and White House, Green finds one overarching concern driving U.S. policy toward East Asia: a fear that a rival power might use the Pacific to isolate and threaten the United States and prevent the ocean from becoming a conduit for the westward free flow of trade, values, and forward defense. By More Than Providence works through these problems from the perspective of history’s major strategists and statesmen, from Thomas Jefferson to Alfred Thayer Mahan and Henry Kissinger. It records the fate of their ideas as they collided with the realities of the Far East and adds clarity to America’s stakes in the region, especially when compared with those of Europe and the Middle East.
God, War, and Providence - James A. Warren
2019-06-18 The tragic and fascinating history of the first epic struggle between white settlers and Native Americans in the early seventeenth century: “a riveting historical validation of emancipatory impulses frustrated in their own time” (Booklist, starred review) as determined Narragansett Indians refused to back down and accept English authority. A devout Puritan minister in seventeenth-century New England, Roger Williams was also a social critic, diplomat, theologian, and politician who fervently believed in tolerance. Yet his orthodox brethren were convinced tolerance fostered anarchy and courted God’s wrath. Banished from Massachusetts Bay Colony in 1635, Williams purchased land from the Narragansett Indians and laid the foundations for the colony of Rhode Island as a place where Indian and English cultures could flourish side by side, in peace. As the seventeenth century wore on, a steadily deepening antagonism developed between an expansionist, aggressive Puritan culture and an increasingly vulnerable, politically divided Indian population. Indian tribes that had been at the center of the New England communities found themselves shunted off to the margins of the region. By the 1660s, all the major Indian peoples in southern New England had come to accept English authority, either tacitly or explicitly. All, except one: the Narragansetts. In God, War, and Providence “James A. Warren transforms what could have been merely a Pilgrim version of cowboys and Indians into a sharp study of cultural contrast...a well-researched cameo of early America” (The Wall Street Journal). He explores the remarkable and little-known story of the alliance between Roger Williams’s Rhode Island and the Narragansett Indians, and how they joined forces to retain their autonomy and their distinctive ways of life against Puritan encroachment. Deeply researched, “Warren’s well-written monograph contains a great deal of insight into the tactics of war on the frontier” (Library Journal) and serves as a telling precedent for white-Native American encounters along the North American frontier for the next 250 years.

Divine Providence: A History - Brenda Deen Schildgen
2012-07-26 Holding divine intervention responsible for political and military success and failure has a long history in western thought. This book explores the idea of providential history as an organizing principle for understanding the divine purpose for humans in texts that may be literary, historical, philosophical, and theological. Providential History shows that, with Virgil and the Bible as authoritative precursors to late antique views on history, the two most important political thinkers of the late antique Christian world, Orosius and Augustine, produced the theories of Christian politics and history that were carried over into the first and second millennium of Christianity. Likewise, their understanding of how the history of the late Roman Empire connects to God’s plan for humankind became the background for understanding Dante’s own positions in the Monarchia and the Commedia. Brenda Deen Schildgen examines Dante’s engagement with these authoritative sources, whether in biblical, ancient Roman writers, or the specific legacy of Orosius and Augustine.

East Providence - The East Providence Historical Society
1997 Although residents of East Providence are proud of the development their city has seen in the 20th century, there still remains an allegiance to the community’s small-town heritage. The town of East Providence was incorporated in 1862, the same year it was “traded” to Rhode Island by Massachusetts. Two bridges across the Seekonk River gave easy access to people to and from East Providence, helping it transform from a sleepy fishing village to a central hub of commerce and entertainment. The East Providence Historical Society pays tribute to their little town in this delightful collection of photographs from the first one hundred years of the town’s existence.

Deep in Providence—Riss M. Neilson 2022-05-31
"Haunting, intimate, and beautifully told: a magical debut novel from a writer to watch.” —Emily M. Danforth, national bestselling and award-winning author of The Miseducation of Cameron Post A spellbinding young adult fantasy debut following three best friends who turn to magic when they’re haunted by a friend’s death…and perhaps her spirit, combining the atmospheric thrills of The Hazel Wood with the nuanced realism of Erika L. Sanchez. For best friends Millani, Inez, Natalie and Jasmine, Providence, Rhode Island has a magic of its own. From the bodegas and late-night food trucks on Broad Street to The Hill that watches over the city, every corner of Providence glows with memories of them practicing spells, mixing up potions and doing séances with the help of the magic Millani’s Filipino grandfather taught her. But when Jasmine is killed by a drunk driver, the world they have always known is left haunted by grief…and Jasmine's lingering spirit. Determined to bring her back, the surviving friends band together, testing the limits of their magic and everything they know about life, death, and each other. And as their plan to resurrect Jasmine grows darker and more demanding than they imagined, their separate lives begin to splinter the bonds they depend on, revealing buried secrets that threaten the people they care about most. Millani, Inez and Natalie will have to rely on more than just their mystical abilities to find the light. Thrilling and absorbing, Deep in Providence is a story of profound yearning, and what happens when three teen girls are finally given the power to go after what they want.

A Special Providence—Richard Yates 2011-04-27
Robert Prentice has spent all his life attempting to escape his mother’s stifling presence. His mother, Alice, for her part, struggles with her own demons as she attempts to realize her dreams of prosperity and success as a sculptor. As Robert goes off to fight in Europe, hoping to become his own man, Richard Yates portrays a soldier in the depths of war striving to live up to his heroic ideals. With haunting clarity, Yates crafts an unforgettable portrait of two people who cannot help but hope for more even as life challenges them both.
