**The Art of Illustrated Maps**-John Roman 2015-09-25 While literally hundreds of books exist on the subject of "cartographic" maps, The Art of Illustrated Maps is the first book EVER to fully explore the world of conceptual, "imaginative" mapping. Author John Roman refers to illustrated maps as "the creative nonfiction of cartography," and his book reveals how and why the human mind instinctively recognizes and accepts the artistic license evoked by this unique art form. Drawing from numerous references, The Art of Illustrated Maps traces the 2000-year history of a specialized branch of illustration that historians claim to be "the oldest variety of primitive art." This book features the dynamic works of many professional map artists from around the world and documents the creative process as well as the inspirations behind contemporary, 21st-century illustrated maps.

**Illustrated Maps**-Carolina Amell 2016-06-23 This book is a selection of different ways to interpret a map at the illustrative level. Several artists have created maps of the world’s most beautiful places and also of its main cities: Paris, Berlin, Dubai, Rio de Janeiro...They are illustrations full of color in which, each artist shows us his or her own way of working with them, with lines, geometrical shapes, some very detailed, very synthesized, using computers, watercolors or simply a pen... Illustrations by Studio Muti, Marcus Oakley, Katie Vernon, Jackkrit Anantakul, Olaf Hajek who are only some of the artists collaborating in this great work.

**Sunflower Sisters**-Martha Hall Kelly 2021-03-30 NEW YORK TIMES BESTSELLER • Martha Hall Kelly’s million-copy bestseller Lilac Girls introduced readers to Caroline Ferriday. Now, in Sunflower Sisters, Kelly tells the story of Ferriday’s ancestor Georgeanna Woolsey, a Union nurse during the Civil War whose calling leads her to cross paths with Jemma, a young enslaved girl who is sold off and conscripted into the army, and Anne-May Wilson, a Southern plantation mistress whose husband enlists. “An exquisite tapestry of women determined to defy the molds the world has for them.”—Lisa Wingate, #1 New York Times bestselling author of Before We Were Yours Georgeanna “Georgyey” Woolsey isn’t meant for the world of lavish parties and the demure attitudes of women of her stature. So when war ignites the nation, Georgyey follows her passion for nursing during a time when doctors considered women on the battlefield a bother. In proving them wrong, she and her sister Eliza venture from New York to Washington, D.C., to Gettysburg and witness the unparalleled horrors of slavery as they become involved in the war effort. In the South, Jemma is enslaved on the Peeler Plantation in Maryland, where she lives with her mother and father. Her sister, Patience, is gattysburg on the plantation next door, and both live in fear of LeBaron, an abusive overseer who tracks their every move. When Jemma is sold by the cruel plantation mistress Anne-May at the same time the Union army comes through, she sees a chance to finally escape—but only by abandoning the family she loves. Anne-May is left behind to run Peeler Plantation when her husband joins the Union army and her cherished brother enlists with the Confederates. In charge of the household, she uses the opportunity to follow her own ambitions and is drawn into a secret Southern network of spies, finally exposing herself to the fate she deserves. Inspired by true accounts, Sunflower Sisters provides a vivid, detailed look at the Civil War experience, from the barbaric and inhumane plantations, to a war-torn New York City, to the horrors of the battlefield. It’s a sweeping story of women caught in a country on the brink of collapse, in a society grappling with nationalism and unthinkable racial cruelty, a story still so relevant today.

**City Atlas**-Martin Haake 2015-09-03 Take a tour of Toronto, look around Lisbon or hot-foot it to Helsinki with this global adventure in a book! 30 best-loved cities from around the world are brought to life with illustrations by Martin Haake, which show in fabulous detail key landmarks, famous people, iconic buildings and cultural icons for all the family to enjoy. A search-and-find game on every page helps young readers to explore every city and spot the hundreds of details that makes each place unique.

**They Draw and Travel**-Nate Padavick 2015-11-26 In 2011, the brother-and-sister design duo Nate Padavick and Salli Swindell founded the website They Draw & Travel. Today it is the largest collection of online illustrated maps created by artists, illustrators and doodlers from around the world. This book is a selection of 100 illustrations of places in the United States envisioned by the artists who contribute to the vast and diverse creative community on They Draw & Travel. Including personal, practical and idiosyncratic perspectives on cities and towns-large and small-around the United States, the illustrated maps in this collection guide readers to the overlooked, forgotten and even underappreciated parts of American places, while celebrating the country’s iconic cities. 100 Illustrated Maps of American Places is a uniquely personal means for exploring and learning about cities through illustrated narratives by contributing artists. For example, do you know where to go for a really great urban hike in Brooklyn? Do you know there are over 36 places to eat cashew chicken in the town of Springfield, Missouri? Or, how about all the fun things to do with kids in Los Angeles? A fantastic bike route in Vermont? Hotspots in Anchorage, Alaska? Experienced on the road or in the chair, 100 Illustrated Maps of American Places is an exciting way to get to know a place.

**Lost Roses**-Martha Hall Kelly 2019-04-09 NEW YORK TIMES BESTSELLER • The million-copy bestseller Lilac Girls introduced the real-life heroine Caroline Ferriday. Now Lost Roses, set a generation earlier and also inspired by true events, features Caroline’s mother, Eliza, and follows three equally indomitable women from St. Petersburg to Paris under the shadow of World War I. “Not only a brilliant historical tale, but a love song to all the ways our friendships carry us through the worst of times.”—Lisa Wingate, #1 New York Times bestselling author of Before We Were Yours It is 1914, and the world has been on the brink of war so often, many New Yorkers treat the subject with only passing interest. Eliza Ferriday is thrilled to be traveling to St. Petersburg with Sofya Streshnayva, a cousin of the Romanovs. The two met years ago one summer in Paris and became close confidantes. Now Eliza embarks on the trip of a lifetime, home with Sofya to see the

splendors of Russia: the church with the interior covered in jeweled mosaics, the Rembrandts at the tsar’s Winter Palace, the famous ballet. But when Austria declares war on Serbia and Russia’s imperial dynasty begins to fall, Eliza escapes back to America, while Sofya and her family flee to their country estate. In need of domestic help, they hire the local fortune-teller’s daughter, Varinka, unknowingly bringing intense danger into their household. On the other side of the Atlantic, Eliza is doing her part to help the White Russian families find safety as they escape the revolution. But when Sofya’s letters suddenly stop coming, she fears the worst for her best friend. From the turbulent streets of St. Petersburg and aristocratic countryside estates to the avenues of Paris where a society of fallen Russian émigrés live to the mansions of Long Island, the lives of Eliza, Sofya, and Varinka will intersect in profound ways. In her newest powerful tale told through female-driven perspectives, Martha Hall Kelly celebrates the unbreakable bonds of women’s friendship, especially during the darkest days of history.

**The World Through Maps**-John R. Short 2003 The author explores the colorful history of mapmaking, taking readers on a fascinating tour of the ideas and idealism that influenced cartography, from the Greeks who used information gleaned from Alexander the Great's conquests to improve their maps to the medievalists, who lost the Greek knowledge of the spherical earth.

**A Map of the World**-Jane Hamilton 2010-12-15 Pen/Hemingway Award-winning novelist Jane Hamilton follows up her first success, The Book Of Ruth, with this spectacularly haunting drama about a rural American family and a disastrous event that forever changes their lives. The Goodwins, Howard, Alice, and their little girls, Emma and Claire, live on a dairy farm in Wisconsin. Although suspiciously regarded by their neighbors as "that hippie couple" because of their well-educated, urban background, Howard and Alice believe they have found a source of emotional strength in the farm, he tending the barn while Alice works as a nurse in the local elementary school. But their peaceful life is shattered one day when a neighbor's two-year-old daughter drowns in the Goodwins' pond while under Alice's care. Tormented by the accident, Alice descends even further into darkness when she is accused of sexually abusing a student at the elementary school. Soon, Alice is arrested, incarcerated, and as good as convicted in the eyes of a suspicious community. As a child, Alice designed her own map of the world to find her bearings. Now, as an adult, she must find her way again, through a maze of lies, doubt and ill will. A vivid human drama of guilt and betrayal, A Map of the World chronicles the intricate geographies of the human heart and all its mysterious, uncharted terrain. The result is a piercing drama about family bonds and a disappearing rural American life.
