Why Blacks Destroy Everything They Inherit... | all fin next level

Aug 11, 2016 - These same failures one sees in native Africans have somehow transplanted themselves into African immigrants in Europe, North America, and elsewhere. More. Average IQs in sub Saharan African blacks range between 60 and 80, depending on the methods of measurement. The most repeatable estimates centre on an average IQ of 70 to 75 for African ...

The Environmental and Social Influences of HIV/AIDS in Sub-Saharan

Jul 19, 2011 - A report produced by the U.S. Census Bureau in 2004 indicated that many sub-Saharan African countries are projected to experience a decline in life expectancy. This report forecasted that by 2010, life expectancy would have dropped to nearly 30 years of age for some South African countries, levels that were last observed at the start of the

Middle East - Wikipedia

The Middle East (Arabic: غرب و شرق آسيا‎, ash-Sharq al-Awsat) is a geopolitical term that commonly refers to the region spanning the Levant, Arabian Peninsula, Anatolia (including modern Turkey and Cyprus), Egypt, Iran and Iraq. The term came into widespread usage as a replacement of the term Near East (as opposed to the Far East) beginning in the early 20th ...

Miami Beach, Florida - Wikipedia

Miami Beach is a coastal resort city in Miami-Dade County, Florida, United States. It was incorporated on March 26, 1915. The municipality is located on natural and man-made barrier islands between the Atlantic Ocean and Biscayne Bay, the latter of which separates the Beach from the mainland city of Miami. The neighborhood of South Beach, comprising the ...
