Biblical inerrancy - Wikipedia
There are over 5,600 Greek manuscripts containing all or part of the New Testament, as well as over 10,000 Latin manuscripts, and perhaps 500 other manuscripts of various other languages. Additionally, there are the Patristic writings, which contain copious quotes from across the early centuries of the scriptures. Most of these manuscripts date to the Middle Ages.

Definition and Meaning - Biblical Theology
The science of dogmatics is a historico-philosophical one; that of Biblical theology is purely historic. Dogmatics declares what, for religious faith, must be regarded as truth; Biblical theology only discovers what the writers of the Old Testament and the New Testament adduce as truth. This latter merely ascertains the contents of the ideas.

Biblical literature - Major themes and characteristics
The Bible is the literature of faith, not of scientific observation or historical demonstration. God's existence as a speculative problem has no interest for the biblical writers. What is problematical for them is the human condition and destiny before God. The great biblical themes are about God, his revealed

Saint Bonaventure (Stanford Encyclopedia of Philosophy)
Nov 01, 2005 · The two highest wings of the Seraph symbolize seeing God in himself, first in the way reason sees God as having one divine nature (c. 5) and then as faith sees God in the Trinity of persons (c. 6). These three sets of twin “steps” culminate in the “mental and mystical transport” found in mystical experience (c. 7), the end of the Journey.
