60 White Lies We Tell Every Day — Best Life
Mar 27, 2019 · Is honesty really always the best policy? Turns out, even if you say it is, you probably don't think so. In fact, little white lies are so common that researchers claim most people lie up to three times every ten minutes. Generally, those white lies are told to three specific groups of people—strangers, coworkers, or loved ones—but, regardless of who you're lying to, one thing's for sure

Britannica
history of photography - history of photography - Photography as art: Photographic societies—made up of both professionals and amateurs enticed by the popularity of the collodion process—began to form in the mid-19th century, giving rise to the consideration of photography as an aesthetic medium. In 1853 the Photographic Society, parent of the present Royal Photographic Society, was formed

The Untold Truth Of Fallen Angels - Grunge.com
Jul 22, 2019 · According to the Gnostic Society Library, the Book of Enoch tells the tale of angels who are destroyed by lust. (The story also shows up in Genesis, but in less detail.) Before the Great Flood, angels and humans met and mingled pretty commonly, and the inevitable happened: children. Those children were the sons and daughters of 200 angels, and they were a race of 450-foot-tall giants.
