Culture - Simple English Wikipedia, the free encyclopedia
Culture is a word for the ‘way of life’ of groups of people, meaning the way they do things. Different groups may have different cultures, in a large country like China or Canada a region may have a distinctive way of talking, different types of music, and different types of dances. A group who acts or speaks differently may be said to be

culture_1 noun - Definition, pictures, pronunciation and
Word Origin Middle English (denoting a cultivated piece of land): the noun from French culture or directly from Latin cultura ‘growing, cultivation’; the verb from obsolete French culturer or medieval Latin culturare, both based on Latin colere ‘tend, cultivate’. In late Middle English the sense was ‘cultivation of the soil’ and from this (early 16th cent.), arose ‘cultivation

Average life expectancy by country - Worlddata.info
The average life expectancy of a country usually draws a conclusion to medical and hygienic standard. The oldest people in the world can be 115 years and even older. Most of these records were set in the US, Japan and a few European countries. The usual retirement period, is often not more than 10-15 years instead.
